## 2. CHAPTER 2 - GENERAL

### 2.1 APPLICABILITY OF RULES:

- 2.1.1 These Rules shall apply to bets on horse races, sporting Events or any lawful contingency placed with or through the Operator or through any outlet authorised by the Operator as the case may be, provided that, they have been approved by the Provincial Licensing Authority("PLA") having jurisdiction over the totalisator operator.
- 2.1.2 In so far as any Rule may relate to a specific totalisator pool such Rule shall be applicable only if the Operator offers such pool.
- 2.1.3 Horseracing is conducted subject to the rules of the National Horseracing Authority and any other condition(s) imposed by the PLA.
- 2.1.4 These Rules cover all bets on Events hosted by the Operators in South Africa, and do not apply to Events hosted in foreign jurisdictions. The rules of the foreign host jurisdiction shall be applied when betting into such foreign pools (Commingling), provided that these foreign host rules have been forwarded by the relevant Operator to each of the PLAs and are made available in advance to Customers wishing to place a

# TAB OPERATIONAL RULES

Final v2.1

bet. The Operators must ensure that new foreign bets are clearly explained, and any differences are clearly highlighted and published.

- 2.1.5** These Rules do not constitute an offer by the Operators to any person to place a bet on the totalisator and accordingly, the Operators shall not be obliged to offer any bet type provided for in these rules at any particular race meeting or for any particular horse race, sporting Event or lawful contingency.

## **2.2 TAX AND COMMISSION:**

Deductions as stipulated by the relevant provincial or national Legislation as laid down from time to time shall be deducted from every Gross Pool before the calculation of any Dividend.

## **2.3 BRACKETED HORSES:**

- 2.3.1** Whenever in any Race, a trainer has two or more horses Carded (including Reserve Runners) such horses shall be bracketed or coupled on the Totalisator for the Pick 6, 7, 8, 9 and 10 pools only, unless stated otherwise.

- 2.3.2** Subject to the provisions of these Rules, whenever a bracketed horse wins a Race, all the horses in the bracket shall qualify for the purpose of the calculation and payment of Pick 6, 7, 8, 9 and 10 Dividends, unless stated otherwise.

- 2.3.3** In the Event of one or more horses within a bracket being scratched such horse/s shall be substituted with the highest placed horse in the order of finish of either:

**2.3.3.1** the totalisator favourite or

**2.3.3.2** horse/s within the bracket.

- 2.3.4** The change in the trainer of a horse after the printing of the Race Card shall not be recognised for the purpose of bracketing of horses. The status prior to the change will remain.

## **2.4 REFUNDS FOR HORSERACING BETS:**

- 2.4.1** Whenever a horse is withdrawn from a Race before or after coming under starter's orders, or if one or more of the starting gates do not open, thus preventing a fair start; the horse shall be deemed to be scratched and the money wagered on such horse in any Win, Place, Exacta, Quartet, Swinger, Trifecta pool shall, subject to the provisions of these Rules, be refundable to the Customer. If for any reason whatsoever a Race, race meetings or Event is abandoned or cancelled, a full refund of the total stake wagered shall be made as provided for in the refund provision for each bet type.

- 2.4.2** A refund shall only be made on presentation of a Valid Ticket bearing the number of the scratched horse.

### **2.4.3 Change of venue or track**

Where the venue of a Race or track is changed from that originally advertised, the bets shall stand, and pools carried over. Refunds shall be entertained on Customer request, unless the Race is abandoned, in which case the provisions of Rule 2.4.1 shall apply.

### **2.4.4 Postponement of an Event**

Where a Race, advertised to be run on a certain date is postponed to any future date:

- 2.4.4.1** within 48 hours after the original advertised date at the same venue, the bet shall stand; or

- 2.4.4.2** more than 48 hours after its initial scheduling, the Race shall be deemed to have been abandoned for betting purposes and the provisions of Rule 2.4.1 shall apply.

However, the Operator may, at any time within the period mentioned above, abandon the Race and provisions of Rule 2.4.1 shall apply.

## TAB OPERATIONAL RULES

Final v2.1

### 2.5 DIVIDENDS:

**2.5.1** All unit bet Dividends shall be calculated to the completed R0-10 and any balance remaining after such calculation shall accrue to and become the property of the Operator as the case maybe.

**2.5.2** Fractional bet Dividends shall be calculated by multiplying the unit bet Dividend by the percentage of the unit bet purchased and rounded down to the nearest cent. This resultant Dividend is then multiplied by the number of times that the bet is won and rounded down to the nearest R0-10. Any balance remaining shall accrue to the Operator as the case maybe.

### 2.6 LOST OR MUTILATED TICKETS:

No claim shall be recognised or entertained in respect of a lost or mutilated Ticket unless the Operator in its internal control procedures provides otherwise.

### 2.7 PRESCRIPTION:

**2.7.1** No claim for payment of a Dividend or for refund shall be admitted unless made within the period prescribed (in the relevant Legislation) of the date of issue of the Ticket, unless the Operator in its internal control procedures provides otherwise.

**2.7.2** Monies unclaimed within the prescribed period after the date of issue of a Ticket shall be forfeited and accrue to and become the property of the Operator subject to payment of the prescribed tax.

### 2.8 PAYMENT OF DIVIDENDS:

Subject to the provisions of these Rules, payment of Dividends shall commence as soon as possible after each Race or Event has been decided, results confirmed and declared "official". The Operator will amend the Dividend as a result of rectified or amended Official Result, or rectified Dividend calculation and pay such corrected Dividend, in which case a Customer shall not have a claim to a previously incorrectly declared Dividend.

### 2.9 OBJECTIONS:

Whenever an objection against the result of a Race has been lodged, any payments shall be made in accordance with the decisions of the race meeting Officials or Stewards.

### 2.10 COMPLAINTS:

No complaint either in regard to the correctness of a Ticket, the correctness of change or the payment of a Dividend shall be entertained unless it is made before the complainant leaves the teller/Operator's window.

### 2.11 MINORS:

No bet may be made by or on behalf of a minor and no Dividend shall be paid to a minor or to anyone on behalf of a minor.

### 2.12 LIMITATION OF LIABILITY:

The Operator or any Steward, Official, Member, Independent Authorised Contractor, Agent or Employee shall not be liable for damages resulting from any breach of contract or any act relating in any way to totalisator betting for which they are responsible either directly, indirectly, vicariously or in any way, and in particular none of the aforementioned shall be liable in damages either directly, indirectly, vicariously or in any other way for loss, destruction or disappearance of any original betting Ticket, or for any error made by any of the aforesaid persons, subject to Rule 2.24.

### 2.13 CLOSING TIMES OF POOLS:

Bets must either be accepted by the wagering system of the Operator before the stated closing time or when the wagering system closes for the purposes of accepting bets for the particular pool for which the bet is placed. A bet cannot be accepted after the result of the Event is known, if a wagering system of the Operator erroneously accepts a bet in this circumstance the bet would be refunded.

## TAB OPERATIONAL RULES

Final v2.1

### **2.14 PROHIBITION OF STAFF BETTING:**

No employee, whether permanent or temporary of the Operator is entitled to participate, either directly or indirectly, in any way whatsoever in any totalisator pool or Dividend while on duty, subject to the relevant provincial Legislation.

### **2.15 CONFIDENTIAL:**

Information and details gained with regard to any type of betting transaction are strictly confidential and no employee of the Operator may divulge such information unless in the course of duty.

### **2.16 ONUS ON CUSTOMER AND WAIVER OF CLAIM:**

**2.16.1** The onus is on the Customer to ensure that a Bet Slip is correctly completed and that the Ticket issued corresponds with the selections requested on that Bet Slip or in the case of a verbal bet that such Ticket issued corresponds to the bet called by the said Customer or in the case of a telephone bet that the bet called back by the Operator corresponds to the bet called by the said Customer. The Operator shall prominently display this requirement at all of its betting outlets.

**2.16.2** The Customer shall not have any claim arising out of any error made by the Operator and the Customer's failure to comply with the provision of Rule 2.16 and subject to Rule 2.24.

### **2.17 ASSISTANCE BY STAFF:**

**2.17.1** Staff who offer any advice on betting and/or assistance to Customers in the completion of any Bet Slip or in the issue of any Ticket in accordance with these Rules, shall not be liable for failure to comply with the requirements of such Customer, nor shall any claim lie against the Operator.

**2.17.2** The Operator likewise is not bound contractually for any default or omission caused by any member of staff dealing with a Customer.

### **2.18 EQUIPMENT FAILURE:**

In the Event of breakdown in any equipment, device or means of communication employed by the Operator for processing bets, the Operator may declare the favourite for the Race (based on the Dividends at the time of such failure) and such Dividend or refund as may be appropriate in the circumstances having regard to the information available.

### **2.19 LOG TAPE OR AUDIT FILES:**

**2.19.1** The only admissible evidence to a betting transaction shall be the record of the original transaction contained on the log tape or audit files of the approved wagering system of the Operator.

**2.19.2** In the event of a discrepancy existing between the bet details printed on the Ticket issued and the aforementioned logged records the bet details reflected in the records shall prevail, subject to Rule 2.24.

## TAB OPERATIONAL RULES

Final v2.1

### **2.20 MINIMUM GUARANTEED DIVIDENDS:**

There is a minimum guaranteed Dividend, for all bet types, equal to the unit of wager as provided for in Chapter 4 except where a dead heat results in more winning combinations than otherwise contemplated. However, the exception shall not apply to runners not affected by the dead heat.

### **2.21 MORE THAN 30 RUNNERS:**

Where there is a field in excess of 30 runners, all runners bearing the number 30 and higher are treated as a single runner (bearing the number 30, even if the runner actually bearing the number 30 is scratched), and, notwithstanding the Official Result, all such runners are deemed to finish in the place that the first of such runners finishes, unless otherwise specified by the Operator.

### **2.22 OBLIGATIONS:**

Customers shall be obliged to comply with any laws or conditions pertaining to payment of Dividends including the Financial Intelligence Centre Act, 38 of 2001.

### **2.23 RULES PERTAINING TO BETTING THROUGH INTERACTIVE WAGERING SYSTEMS, INCLUDING TELEPHONE, ON-LINE, GPRS AND OTHER TECHNOLOGY FACILITATED BETTING:**

**2.23.1** All telephone, on-line, GPRS and other technology facilitated betting transactions are subject to these Rules as amended from time to time.

**2.23.2** A Customer must have an active account with the Operator in order to transact through telephone, on-line, GPRS and other technology facilitated betting wagering systems.

#### **2.23.3 Calling of Bets**

**2.23.3.1** After the placing of a bet through a telephone, the Operator or consultant shall orally confirm what he has keyed in and obtained authority from the Customer to transmit the bet to the system.

**2.23.3.2** If the Customer does not query or rectify the oral confirmation of the bet he is deemed to have accepted the details as called back by the Operator or consultant as being correct and becomes bound by the call back.

#### **2.23.4 Alteration of Bets**

No bets may be altered after they have been accepted.

#### **2.23.5 Dividends**

Dividends shall be credited to the Customer's account with the Operator as soon as possible after being declared "Official".

#### **2.23.6 Refunds**

Refunds in respect of scratchings are credited to the Customer's account by the Operator at the same time as Dividends are paid.

#### **2.23.7 Communication Failure-Waiver of Claims**

The Customer shall not have any claim of any nature against Operator and/or any of its employees arising from a failure to accept his/her bets because of delays caused by a breakdown in the telephone system and/or other telecommunication system for whatever reason.

#### **2.23.8 System Unavailable**

Bets can only be accepted whilst the approved wagering system is operative.

#### **2.23.9 Recording Equipment and Waiver of Rights**

**2.23.9.1** For the protection of the Customers all telephone transactions shall be recorded.

**2.23.9.2** The recording shall be retained for a minimum period of 14 days following the Race or Event, before being erased. In the Event of a dispute being

## TAB OPERATIONAL RULES

Final v2.1

lodged, the Operator shall retain the recordings until the dispute has been resolved.

**2.23.9.3** Disputes regarding account balances and betting transactions must be made in writing within 14 days of the Race or Event concerned. The Customer shall not have a claim once this period has elapsed and the dispute has not been raised.

### **2.23.10 Security**

**2.23.10.1** The Customer's security or personal identification code must prevent unauthorised use of his account and must not be divulged to other parties.

**2.23.10.2** The Customer shall immediately notify the Operator should he lose his account details.

**2.23.10.3** No betting transaction or withdrawal from an account is permitted unless the Customer provides his security or personal identification code or any detail required by the Operator for verification purposes.

### **2.23.11 Unauthorised Use of Account**

The Operator shall not be liable for any loss incurred by a Customer due to the unauthorised use of his account.

### **2.23.12 Termination of Account**

The Operator shall be entitled to terminate the Operator contract or account with immediate effect at its sole discretion. The Customer shall not have any claim of whatsoever nature against Operator arising out of the lawful cancellation of such contract or account other than to claim a refund of the money outstanding to the credit of his account.

## **2.24 DISPUTES:**

Subject to the provisions of applicable provincial or national Legislation, gambling or otherwise, the Operator shall decide on any dispute arising in any way whatsoever from the running of the totalisator betting transactions. For this purpose, the Operator shall be entitled to conduct an inquiry, which the complainant shall be obliged to attend, answer questions and be entitled to be heard, make representations and call witnesses. Any dispute that remains unresolved may be referred to the relevant PLA.

## **2.25 ACCOUNT WITHDRAWALS:**

Customers shall only be authorised by the Operator to make withdrawals on the effects of their Dividend(s) and not their deposits. The only exception to this rule shall be on final closure of the account by the Customer.

## **2.26 OFFICIAL RESULTS:**

The result of a Race shall be official when they are declared as such in terms of these Rules, that is when the All Clear is declared by the racetrack and the "Official Result" is announced by the Operator.

## **2.27 AVAILABILITY AND BINDING EFFECT OF RULES:**

**2.27.1** These Rules shall be published and made available to the Customer. It is the responsibility of the Customer to make himself or herself familiar with the amendments to these Rules.

**2.27.2** A Customer who places bets or claims is deemed to have read these rules and to including any other rule(s) or condition (s) contingency in question.

## TAB OPERATIONAL RULES

Final v2.1

### 2.28 DORMANT ACCOUNT:

If a Customer has not transacted on or made claim on a deposit made into a betting account held with the Operator, the Customer will lose claim to this money after a period of three years. This money shall be forfeited by the Customer to the Operator and declared as income.

### 2.29 EXCLUSION OR BANNING OF PERSONS FROM BETTING:

**2.29.1** The Operator reserves the right to exclude or ban any person or group of persons or his, her or their agent from betting or placing bets in any or all of its pools if bets placed by such a person or group of persons is believed to threaten the integrity of any of its pools or products or reputation through any of his, her or their actions. This shall also apply, but not limited, to instances where the Operator is of the view that such a person/s or his, her or their agent's action(s) may undermine or manipulate any of the pools, results or Dividends.

**2.29.2** In the Event that a person, excluded or banned in terms of these provisions, manages to place any bet with the Operator despite the banning or exclusion, whether direct or indirectly, whether in person or through an agent, the Operator will neither refund such a bet nor pay a Dividend if such a bet is a winning bet and the Operator reserves the right to institute any action it deems necessary against any such person, group of persons and/or his, her or their agent.

## 3. CHAPTER 3 - FRACTIONAL BETTING

### 3.1 PURPOSE:

Fractional betting allows the purchase of a portion of a bet, or a bet a number of times, i.e. a fraction greater than 1.

### 3.2 APPLICATION:

Fractional betting is available on the bet types listed in Rule 3.3 and the totalisator Rules applicable to these bet types apply to their use in fractional betting, and is offered from all betting terminals including telephone, on-line, GPRS, and other technology facilitated betting.

### 3.3 METHOD OF PURCHASE:

Subject to the provisions of Rule 4.2, Fractional betting shall apply to the following bet types: Pick 4 (Jackpot), Pick 6, Place Accumulator, Trifecta, Quartet, Pick 7, Pick 8 and Pick 9, unless otherwise specified by the Operator.

**The Operator must ensure that the wagering system is capable of:**

**3.3.1** Determining the value of the bet by multiplying the horse selection (i.e. number of bets) by the unit of betting for that particular bet type.

**3.3.2** Comparing the amount of money wagered with the value of the bet at the unit of betting as in Rule 3.3.1 above. The resultant percentage is then applied to the unit of betting and rounded down to the nearest cent. Thus, arriving at the fractional value of each bet unit purchased, i.e. the base unit of betting.

**3.3.3** Multiplying this base unit of betting with the number of bets taken to determine actual cost of bet. This shall be rounded up to the nearest R0, 10.

**3.3.4** Adding the difference between the actual cost of the bet and the money paid (rounded up to the next R0, 10) to the Gross Pool for that particular bet type.

**3.3.5** Printing a bet Ticket and in addition to the bet details normally printed, showing the percentage of the total bet purchased if less than 100%. If the bet purchased is more than a unit then the Ticket shall show the number of times the bet is purchased and any fraction in excess of the whole number shall be shown as a percentage of the unit of betting.

## 4. CHAPTER 4 - UNIT OF BETTING & MINIMUM BET LIMITS

### 4.1 UNIT OF BETTING:

The unit of betting for each pool is R1-00 with the exceptions of: commingled pools (which may vary as a result of the prevailing exchange rates), Double and Soccer 13 Xtra where the unit of betting shall be R2-00, Pick 9 and Pick 10 where the unit of betting will be 10c (ten cents); Soccer 6; Soccer 4; Soccer 2 for which the unit of betting shall be R6-00 and the Soccer 10 for which the unit of betting shall be R2-00; Soccer 8 for which the unit of betting shall be R3-00; Soccer 13 for which the unit of betting shall be as stipulated by the Host Jurisdiction Rules; the Rugby 1, 2, 4 and Rugby 5 for which the unit of betting shall be R5-00; the Sports Cocktail for which the unit of betting shall be R10; Fight 1 and Fight 5 for which the unit of betting will be R5. The Operator may amend the unit of betting on any pool or bet from time to time.

### 4.2 MINIMUM BET:

**4.2.1** The minimum bet on all pools may differ from outlet to outlet and shall be as prescribed by the Operator and amended from time to time. Such minimum bet shall be clearly displayed in each outlet, and these prescribed levels may be subject to review by the PLA from time to time.

**4.2.2** This minimum bet would apply irrespective of whether a bet is accepted at the full unit of betting or accepted at a fraction of a unit of betting in terms of these Rules.

**4.2.3** The minimum bet shall only apply to the total cost in respect of permutation, Boxed and floating banker bets. Examples of these are:

**4.2.3.1** 600 bet combinations at R0.01 per bet (a fractional bet) shall cost R6-00 and is permitted where the minimum for the outlet is R6-00 or 300 bet combinations at R0.01 per bet (a fractional bet) shall cost R3-00 and is permitted where the minimum for the outlet is R3-00;

**4.2.3.2** 60 bet combinations at R0.10 per bet (fractional betting) shall cost R6-00 and is permitted where the minimum for the outlet is R6-00 or 30 bet combinations at R0.10 per bet (fractional betting) shall cost R3-00 and is permitted where the minimum for the outlet is R3-00;

**4.2.3.3** A 3-horse swinger Boxed costing R3 -00 shall have to be taken twice where the minimum for the outlet is R6-00; and

**4.2.3.4** A 2-horse exacta Boxed costing R2-00 has to be taken 3 times where the minimum for the outlet is R6-00.

**4.2.4** The minimum bet shall apply to each Win, Place, Double, Exacta or Swinger bet taken. If more than one bet is taken at the same time, the minimum shall apply to each bet.

**4.2.5** The minimum each way bet, in effect a win and place bet on the same horse, shall cost R6- 00 - in other words a R3-00 win and a R3-00 place bet, where the minimum in the outlet is R6-00.

## 5. CHAPTER 5 - HORSERACING BETS

### 5.1 WIN POOL

#### 5.1.1 PURPOSE:

The purpose is to select the winner of a specified race.

#### 5.1.2 UNIT OF BETTING AND MINIMUM BET:

Refer to Chapter 4.

#### 5.1.3 BRACKETING OF HORSES:

The bracketing of horses shall not apply to this pool.

## TAB OPERATIONAL RULES

Final v2.1

### 5.1.4 CALCULATION OF DIVIDEND:

The Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning horse.

### 5.1.5 DEAD HEAT:

**5.1.5.1** Notwithstanding the provisions of Rule 5.1.4, whenever two or more horses dead heat the Dividend payable shall be calculated in the following manner:

**5.1.5.1.1** the Net Pool shall be divided into as many equal portions as there are dead heaters and each resultant portion shall then be divided by the number of unit bets wagered on the individual dead heaters; or

**5.1.5.1.2** in the Event of there being no winning Ticket on one of the dead heaters that portion of the Net Pool shall be carried forward and dealt with in terms of Rule 5.1.6.

### 5.1.6 CARRY FORWARD:

In the Event of there being no Ticket on the winning horse the Net Pool shall be carried forward and added to a net win pool selected at the sole discretion of the Operator's Management, provided that such carry forward is made within 12 months of the original pool.

## 5.2 RACING ROULETTE POOL

### 5.2.1 PURPOSE:

The purpose is to select the colour group of the winner of a specified race, in which each runner is assigned to one of three colour groups: red, black and green.

### 5.2.2 UNIT OF BETTING AND MINIMUM BET:

Refer to Chapter 4.

### 5.2.3 BRACKETING OF HORSES:

The bracketing of horses shall not apply to this pool.

### 5.2.4 CALCULATION OF DIVIDEND:

The dividend shall be determined by dividing the net pool by the number of unit bets on the winning colour.

### 5.2.5 DEAD HEAT:

If horses from two or three different colour groups dead heat for first place, the Net Pool shall be divided into two or three equal portions and each resultant portion shall then be divided by the number of unit bets wagered on each of the two or three colour groups.

### 5.2.6 CARRY FORWARD:

In the Event of there being no Ticket on the winning colour group the net pool shall be carried forward and added to a net Racing Roulette pool selected at the sole discretion of the Operator's Management, provided that such carry forward is made within 12 months of the original pool.

### 5.2.7 SCRATCHINGS:

If any horse is scratched, the relevant colour group shall constitute the remaining runners in the colour group.

### 5.2.8 REFUNDS:

## TAB OPERATIONAL RULES

Final v2.1

No refunds shall be given except if all runners in a colour group are scratched, in which case all bets on that colour group will be refunded. If all runners in two of the colour groups are scratched, the pool will be abandoned, and all bets refunded.

### 5.3 PLACE POOL

#### 5.3.1 PURPOSE:

The purpose is to select a horse placed first, second, third or fourth in a specified Race, subject to the provisions of Rule 5.2.3.3.

#### 5.3.2 UNIT OF BETTING AND MINIMUM BET:

Refer to Chapter 4.

#### 5.3.3 PLACE BETTING:

Whenever there are:

**5.3.3.1** eight to fifteen runners, Dividends shall be paid in respect of the horses placed first, second and third;

**5.3.3.2** sixteen or more runners, Dividends shall be paid in respect of the horses placed first, second, third and fourth; and

**5.3.3.3** the Operators may offer place pools in races with less or more runners than specified 5.2.4.1 and 5.3.4.2 above. For instance, a place pool may be offered on races with six or seven runners, where Dividends will be paid in respect of the horses placed first and second or offer Dividends for more than four places in selected Races or Events.

#### 5.3.4 CALCULATION OF DIVIDEND:

The Net Pool shall be divided into as many equal portions as there are placed horses in terms of Rule 5.2.3. The portions shall be divided respectively by the number of unit bets on each of the placed horses and the results so obtained shall be the Dividend payable subject to the provisions of Rule 5.2.5.

#### 5.3.5 DEAD HEAT:

**5.3.5.1** For the purpose of the calculation of Dividends, horses dead heating for first place shall be deemed to have filled the first and second places, horses dead heating for second place to have filled the second and third places, horses dead heating for third to have filled third and fourth places and horses dead heating for fourth to have filled fourth place jointly.

**5.3.5.2** Whenever a dead heat between two horses results in the payment of more place Dividends than is provided for in Rule 5.2.3, the Dividends payable shall be calculated as follows:

**5.3.5.2.1** the Net Pool shall be divided into so many equal portions as, but for the dead heat, there would have been places in terms of Rule 5.2.3;

**5.3.5.2.2** the Dividends on the horses not involved in the dead heat shall be calculated as provided for in Rule 5.2.4; and

**5.3.5.2.3** the remaining portion shall be divided into two equal parts, which shall respectively be divided by the number of unit bets on each of the horses in the dead heat.

**5.3.5.3** Should there be three horses in a dead heat, the Dividends payable in respect of the dead heating horses shall be calculated as provided for in Rule 5.2.5.2, save that the money available for distribution among holders of Tickets on the dead heating horses shall be divided into three equal parts.

#### 5.3.6 CARRY FORWARD:

## TAB OPERATIONAL RULES

Final v2.1

In the Event of there being no Ticket on any of the placed horses, the Net Pool shall be carried forward and added to a net place pool selected at the sole discretion of the Operator's Management, provided that such carry forward is made within 12 months of the original pool

### 5.4 EXACTA POOL

#### 5.4.1 PURPOSE:

The purpose of the Exacta is to select two horses to finish first and second in that order in a race designated in the official Race Card as an Exacta Pool race.

Refer to Chapter 4.

#### 5.4.3 BRACKETING OF HORSES:

The bracketing of horses shall not apply to this pool.

#### 5.4.4 CALCULATION OF DIVIDEND:

The Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning horse combinations.

#### 5.4.5 DEAD HEAT: Notwithstanding the provisions of Rule 5.3.4 whenever two or more horses dead heat the Dividends payable shall be calculated in the following manner:

**5.4.5.1** the Net Pool shall be divided into as many equal portions as there are possible dead heat combinations and each resultant portion shall then be divided by the number of unit bets wagered on those winning combinations. Provided further that should there be no unit bets on any of the possible winning combinations, that portion of the Net Pool shall be carried forward and dealt with in terms of Rule 5.3.6.

#### 5.4.6 CARRY FORWARD:

In the Event of there being no Ticket on any of the winning combinations the Net Pool shall be carried forward and added to a net exacta pool selected at the sole discretion of the Operator's Management, provided that such carry forward is made within 12 months of the original pool

### 5.5 SWINGER POOL

#### 5.5.1 PURPOSE:

The purpose of the swinger is to select any two horses finishing in the first three places irrespective of the order in which they finish in a race designated in the official Race Card as a Swinger pool race.

#### 5.5.2 UNIT OF BETTING AND MINIMUM BET:

Refer to Chapter 4.

#### 5.5.3 BRACKETING OF HORSES:

The bracketing of horses shall not apply to this pool.

#### 5.5.4 CALCULATION OF DIVIDENDS:

The Net Pool shall be divided into equal parts and the parts respectively divided by the number of unit bets on any two of the first three horses, namely:

**5.5.4.1** the first and second placed horses or;

**5.5.4.2** the first and third placed horses or;

## TAB OPERATIONAL RULES

Final v2.1

**5.5.4.3** the second and third placed horses.

### **5.5.5 DEAD HEAT:**

**5.5.5.1** For the purpose of the calculation of Dividends in the case of a dead heat:

**5.5.5.1.1** between two horses for the first place, they shall be deemed to have filled first and second places;

**5.5.5.1.2** between three horses for the first place, they shall be deemed to have filled first, second and third places; and

**5.5.5.1.3** between two horses for second place, they shall be deemed to have filled second and third places.

**5.5.5.2** Where three horses dead heat for second place the winning combinations shall be the first horse coupled with any one of the dead heaters and a coupling of any two of the dead heaters.

**5.5.5.3** Where there is a dead heat between two or more horses for third place the winning combinations shall be the first horse coupled with the second horse, the first horse coupled with any one of the dead heaters and the second horse coupled with any one of the dead heaters.

**5.5.5.4** Notwithstanding the provisions of Rule 5.4.4, whenever Rule 5.4.5.2 applies, the Dividends shall be calculated by dividing the Net Pool into as many parts as there are winning combinations and the parts respectively by the number of unit bets on each such combination.

**5.5.5.5** Notwithstanding the provisions of Rule 5.4.4, whenever Rule 5.4.5.3 applies, the Dividends shall be calculated in the following manner:

**5.5.5.5.1** one third of the Net Pool shall be divided by the number of unit bets on the first and second placed horses; and

**5.5.5.5.2** the balance of the Net Pool shall be divided into as many parts as there are winning combinations and the parts respectively by the number of unit bets on each such combination.

### **5.5.6 REDUCTION OF RUNNERS:**

**5.5.6.1** In the Event of a designated swinger pool race being reduced to only 4 or 5 runners, Dividends shall be paid in respect of horses placed FIRST and SECOND only, irrespective of the order in which they finish.

**5.5.6.2** In the Event of a designated swinger pool race being reduced to less than 4 runners, the swinger pool shall be abandoned and refunded to Customers.

### **5.5.7 CARRY FORWARD:**

In the Event of there being no Ticket on the winning combinations, the Net Pool shall be carried forward and added to a net swinger pool selected at the sole discretion of the Operator's Management, provided that such carry forward is made within 12 months of the original pool.

## **5.6 DOUBLE POOL**

The Dividend shall be determined by dividing the Net Pool by the total number of unit bets on the winning combination/s.

#### 5.9.7 ABANDONED OR CANCELLED LEGS:

**5.9.7.1** Subject to Rule 5.8.8, if for any reason whatsoever a Pick 3 race is abandoned or cancelled, the Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning combinations in the Legs of the Pick 3 which were duly decided provided that if there is no unit bet on the winning combinations, the provisions of Rule 5.8.10 shall apply.

**5.9.7.2** All selections in any abandoned or cancelled Legs shall be deemed to be winning selections.

#### 5.9.8 REFUNDS:

No refunds shall be made in respect of any Pick 3 Ticket, except in instances where a race meeting is cancelled or abandoned, or if only one (1) Race constituting that Pick 3 is completed. No refunds shall be made in respect of any pool carried forward.

#### 5.9.9 DEAD HEAT:

**5.9.9.1** In the Event of a dead heat between two or more horses in any Leg for the first place in a Pick 3 Pool resulting in more than one winning combination, the Net Pool shall be divided into as many equal portions as there are winning combinations, and each such portion shall then be divided by the number of unit bets on each of the combinations.

## TAB OPERATIONAL RULES

Final v2.1

**5.9.9.2** Should there be no unit bets on one or more of the winning combinations as provided for under Rule 5.8.9.1 that portion of the Net Pool shall be carried forward and dealt with in terms of Rule 5.8.10.

### **5.9.10 CARRY FORWARD:**

In the Event of there being no Ticket on any of the winning combinations, the Net Pool shall be carried forward and added to a net Pick 3 pool selected at the sole discretion of the Operator's Management, provided that such carry forward is made within 12 months of the original pool.

## **5.10 PICK 4 POOL (JACKPOT)**

### **5.10.1 PURPOSE:**

The purpose of the Pick 4 (Jackpot) is to select the winners of each of the Legs constituting the Pick 4 (jackpot) as designated in the official Race Card.

### **5.10.2 UNIT OF BETTING AND MINIMUM BET:**

Refer to Chapter 4.

### **5.10.3 BRACKETING OF HORSES:**

The bracketing of horses shall not apply to the Pick 4 (Jackpot) Pool, unless otherwise specified.

### **5.10.4 FIRST TIMER RULE:**

The First Timer Rule shall not apply to the Pick 4 (Jackpot), unless otherwise specified.

### **5.10.5 RESERVE RUNNER:**

The Carded number of any Reserve Runner replacing a scratched horse remains unaltered and consequently field selections should include all horses Carded.

### **5.10.6 SCRATCHINGS:**

**5.10.6.1** If any horse is scratched from any Leg the holder of any Ticket on which such horse has been selected, shall be deemed to have selected the Totalisator Favourite in such Leg.

**5.10.6.2** No refunds shall be given in respect of scratched horses.

**5.10.6.3** In the Event of joint totalisator favourites being declared in a particular Race, a scratched horse to be substituted by the Totalisator Favourite in terms of Rule 5.9.6.1 shall be substituted with the joint totalisator favourite, which is highest placed in the order of finishing of that race.

**5.10.6.4** In the Event of joint totalisator favourites dead heating for first place, a scratched horse to be substituted in terms of Rule 5.9.6.1 shall be substituted with the joint totalisator favourite bearing the lower Race Card number.

### **5.10.7 CALCULATION OF DIVIDEND:**

**5.10.7.1** The Dividend shall be determined by dividing the Net Pool by the total number of unit and fractional unit bets on the winning combination/s.

**5.10.7.2** In the Event that there are no full unit winning bets on a Pick 4 (jackpot) pool, and at the same time, the sum of the percentage of bets purchased of all fractional winners is less than 100% of the unit of betting, then the Dividend shall be determined for a full unit of betting and the balance of the Dividend, i.e. not apportioned to the fractional winners, shall be carried over in terms of Rule 5.9.11 or apportioned in terms of Rule 5.9.10.3.

## TAB OPERATIONAL RULES

Final v2.1

### **5.10.8 ABANDONED OR CANCELLED LEGS:**

**5.10.8.1** Subject to Rule 5.9.9, if for any reason whatsoever a Pick 4 (jackpot) race is abandoned or cancelled the Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning combinations in the Legs of the Pick 4 (jackpot) which were duly decided provided that if there is no unit bet on the winning combinations, read in conjunction with Rule 5.9.7.2, the provisions of Rule 5.9.11 shall apply.

**5.10.8.2** All selections in any abandoned or cancelled Legs shall be deemed to be winning selections.

**5.14.6.6** In the Event of the Totalisator Favourite and a horse within a bracket dead heating for first place, a scratched horse to be substituted in terms of Rule 5.13.6.1 shall be substituted with the horse within that bracket.

#### 5.14.7 CALCULATION OF DIVIDEND:

**5.14.7.1** The Dividend shall be determined by dividing the Net Pool by the total number of unit bets on the winning combination/s. The Operator will set aside 80% (eighty percent) of the Net Pool to be paid for entries with all of the correct winners and 20% (twenty percent) as a consolation dividend for entries with any 8 (eight) winners, as stipulated in the official Race/Event Card.

## TAB OPERATIONAL RULES

Final v2.1

### 5.14.8 MUST-BE-WON POOLS

The Operator reserves the right to advertise "Must-Be-Won" pools. The dividend calculation will be as rule 5.13.7 above except where there are no 9 out of 9 winners that portion of the pool will be added to the remaining 20% of the pool and distributed amongst the tickets containing the highest winning combinations.

### 5.14.9 ABANDONED OR CANCELLED LEGS:

Subject to Rule 5.13.10, if, for any reason whatsoever, a Pick 9 Race is abandoned or cancelled, the Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning combinations in the Legs of the Pick 9 which were duly decided provided that if there is no unit bet on the winning combinations, the provision of Rule 5.13.12 shall apply. All selections in any abandoned or cancelled Legs shall be deemed to be winning selections.

### 5.14.10 REFUNDS:

No refunds shall be made in respect of any Pick 9 Ticket, except in instances where a race meeting is cancelled or abandoned, or if only one (1) Race constituting that Pick 9 pool, including Must-Be-Won pools, is completed. No refund shall be made in respect of any pool carried forward.

### 5.14.11 DEAD HEAT:

**5.14.11.1** In the Event of a dead heat between two or more horses in any Leg for the first place in the Pick 9 Pool resulting in more than one winning combination, the 9-out-of-9 winners portion of the Net Pool shall be divided into as many equal portions as there are winning combinations, and each such portion shall then be divided by the number of unit bets on each of the combinations.

**5.14.11.2** In the Event of a dead heat between two or more bracketed horses and another horse in any Leg for the first place in the Pick 9 pool resulting in more than one winning combination, the 9-out-of-9 winners portion of the Net Pool shall be divided into as many portions as there are winning combinations resulting from the number of dead heating horses. The portions of the Net Pool pertaining to the bracketed horses shall then be combined and a Dividend for the total number of Tickets on the bracketed horses shall be declared. The any 8 (eight) winners consolation portion of the Net Pool shall not be split in the event of a dead heat and one common dividend will be declared.

**5.14.11.3** Should there be no unit bets on one or more of the winning combinations as provided for under Rule 5.13.10.1 that portion of the Net Pool shall be carried forward and dealt with in terms of Rule 5.13.11.

### 5.14.12 CARRY FORWARD:

In the Event of there being no Ticket on any of the winning combinations, the Net Pool shall be carried forward and added to a net Pick 9 pool selected at the sole discretion of Operator Management, provided that such carry forward is made within 12 months of the original pool.

## 5.15 PICK 10 POOL ("Easy 10")

- 5.15.6.1.2** the remaining horse/s within the bracket.
- 5.15.6.2** No refunds shall be given in respect of scratched horses.
- 5.15.6.3** In Pick 10 betting, if a horse in a bracket is the Tote Favourite, as determined in Rule 1.29, all the horses within the bracket shall be deemed to be the Tote Favourite for the purpose of determining the substitution, in the Event of a scratching.
- 5.15.6.4** In the Event of joint Totalisator Favourites being declared in a particular Race, a scratched horse to be substituted by the Totalisator Favourite in terms of Rule 5.14.6.1 shall be substituted with the joint Totalisator Favourite, which is highest placed in the order of finishing of that Race.
- 5.15.6.5** In the Event of joint Totalisator Favourites dead heating for first place, a scratched horse to be substituted in terms of Rule 5.14.6.1 shall be substituted with the joint Totalisator Favourite bearing the lower race card number.
- 5.15.6.6** In the Event of the Totalisator Favourite and a horse within a bracket dead heating for first place, a scratched horse to be substituted in terms of Rule 5.14.6.1 shall be substituted with the horse within that bracket.
- 5.15.7 CALCULATION OF DIVIDEND:**
- The Dividend shall be determined by dividing the Net Pool by the total number of unit bets on the winning combination/s. The Operator will set aside 80% (eighty percent) of the Net Pool to be paid for entries with all of the correct winners and 20% (twenty percent) as a consolation Dividend for entries with any 9 (nine) winners, as stipulated in the official Race/Event Card.
- 5.15.8 MUST-BE-WON POOLS**
- The Operator reserves the right to advertise "Must-Be-Won" pools. The dividend calculation will be as rule 5.14.7 above except where there are no 10 out of 10 winners that portion of the pool will be added to the remaining 20% of the pool and distributed amongst the tickets containing the highest winning combinations.
- 5.15.9 ABANDONED OR CANCELLED LEGS:**
- Subject to Rule 5.14.10, if, for any reason whatsoever, a Pick 10 race is abandoned or cancelled, the Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning combinations in the Legs of the Pick 10 which were duly decided provided that if there is no unit bet on the winning combinations, then the provision of Rule 5.14.12 shall apply. All selections in any abandoned or cancelled Legs shall be deemed to be winning selections.

## TAB OPERATIONAL RULES

Final v2.1

### **5.15.10 REFUNDS:**

No refunds shall be made in respect of any Pick 10 Ticket, except in instances where a race meeting is cancelled or abandoned, or if only one (1) Race constituting that Pick 10 pool, including Must-Be-Won pools, is completed. No refund shall be made in respect of any pool carried forward.

### **5.15.11 DEAD HEAT:**

**5.15.11.1** In the Event of a dead heat between two or more horses in any Leg for the first place in the Pick 10 Pool resulting in more than one winning combination, the 10-out-of-10 winners portion of the Net Pool shall be divided into as many equal portions as there are winning combinations, and each such portion shall then be divided by the number of unit bets on each of the combinations.

**5.15.11.2** In the Event of a dead heat between two or more bracketed horses and another horse in any Leg for the first place in the Pick 10 pool resulting in more than one winning combination, the 10-out-of-10 winners' portion of the Net Pool shall be divided into as many portions as there are winning combinations resulting from the number of dead heating horses. The portions of the Net Pool pertaining to the bracketed horses shall then be combined and a Dividend for the total number of Tickets on the bracketed horses shall be declared. The any 9 (nine) winners consolation portion of the Net Pool shall not be split in the event of a dead heat and one common dividend will be declared.

**5.15.11.3** Should there be no unit bets on one or more of the winning combinations as provided for under Rule 5.14.11.1, that portion of the Net Pool shall be carried forward and dealt with in terms of Rule 5.14.12.

### **5.15.12 CARRY FORWARD:**

In the Event of there being no Ticket on any of the winning combinations, the Net Pool shall be carried forward and added to a net Pick 10 pool selected at the sole discretion of Operator Management, provided that such carry forward is made within 12 months of the original pool.

## **5.16 PLACE ACCUMULATOR POOL**

unaltered and consequently field selections should include all horses Carded.

### **5.16.6 SCRATCHINGS:**

**5.16.6.1** If any horse is scratched from any Leg the holder of any Ticket on which such horse has been selected, shall be deemed to have selected the Tote Favourite in such Leg.

**5.16.6.2** No refunds shall be given in respect of scratched horses.

### **5.16.7 CALCULATION OF DIVIDEND:**

**5.16.7.1** The Dividend shall be determined by dividing the Net Pool by the total number of unit and fractional unit bets on the winning combination /s.

**5.16.7.2** In the Event that there are no full unit winning bets on a Place Accumulator pool, and at the same time, the sum of the percentage of bets purchased of all fractional winners is less than 100% of the unit of betting, then the Dividend shall be determined for a full unit of betting and the balance of the Dividend, i.e. not apportioned to the fractional winners, shall be carried over in terms of Rule 5.15.11.

**5.16.7.3** In the Event of less than three horses finishing the Race for any reason whatsoever, a Dividend shall be declared on the any number of horses finishing (whether one or two), as declared in the Official Result

### **5.16.8 ABANDONED OR CANCELLED LEGS:**

**5.16.8.1** Subject to Rule 5.15.9, if for any reason whatsoever a Place Accumulator Race is abandoned or cancelled, the Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning combinations in the Legs of the Place Accumulator which were duly decided provided that if there is no unit bet on the winning combinations, read in conjunction with Rule 5.15.7.2, the provisions of Rule 5.15.11 shall apply.

**5.16.8.2** All selections in any abandoned or cancelled Legs shall be deemed to be winning selections.

### **5.16.9 REFUNDS:**

No refunds shall be made in respect of any Place Accumulator Ticket, except in instances where a race meeting is cancelled or abandoned or if only one (1) Race constituting that Place Accumulator pool has been completed.

### **5.16.10 DEAD HEAT:**

In the Event of a dead heat between two or more horses for any place in the Place Accumulator, all such horses shall be deemed to have filled that place and following places within the ambit of Rule 5.15.4.

### **5.16.11 CARRY FORWARD:**

In the Event of there being no winning Ticket on a Place Accumulator Pool, the Net Pool shall be carried forward and added to a net Place Accumulator Pool selected at the sole discretion of Operator's Management, provided that such carry forward is made within 12 months of the original pool.

## **5.17 ALL-TO-COME POOL**

### **5.17.1 PURPOSE:**

**5.17.1.1** The purpose of the All-To-Come bet is to select a Runner, which qualifies for a Dividend in respect of the pool in each of the Legs of the All-To-Come bet selected that is on one or more pools on several Races, and the selected bets are printed on a single Ticket.

**5.17.1.2** All-To-Come bets will apply to the WIN or PLACE pools and the general rules applicable to those pools shall apply to the All-To-Come betting.

## TAB OPERATIONAL RULES

Final v2.1

- 5.17.1.3** The pool type may not be common to all Legs of the All-To-Come bet and the bet shall consist of not less than two and not more than six Legs, which, may be from the same race meeting or different race meetings. All Legs must be selected in ascending order but need not be consecutive.
- 5.17.1.4** If a selected Race is abandoned or a selected Runner is scratched, then the All-To-Come bet continues as if that Leg had not been selected and any reinvestments from the previous Leg, or Legs, shall be carried forward to the next selected Leg(s) if any remain. For a single Leg bet or the terminating Leg of an All-To-Come bet, the amount due for investment in that Leg, shall be paid as a Dividend.
- 5.17.1.5** Proceeds are only invested once the results are made official. If for any reason there is a delay in the declaration of Official Results on a preceding Leg, and pools are closed for the current Leg, investments from the preceding Race will not be invested in such Leg and will be invested on further Legs if applicable.
- 5.17.1.6** The operators may prescribe the maximum reinvestment on any single or more selections, in which case any amount in excess of the prescribed limit shall be held back and treated as a Dividend due, regardless of the results of any subsequent Leg(s).

### **5.17.2 UNIT OF BETTING AND MINIMUM BET:**

Refer to Chapter 4.

### **5.17.3 CALCULATION OF DIVIDEND:**

The Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning horse. All the selected Legs of an All-To-Come bet must have been run before any Dividends accruing to the bet will be paid.

### **5.17.4 ABANDONED OR CANCELLED LEGS:**

**5.17.4.1** Subject to Rule 5.16.5, if a selected Race is abandoned or a selected Runner is scratched, then the All-To-Come bet continues as if that Leg had not been selected and any reinvestments from the previous Leg, or Legs, shall be carried forward to the next selected Leg(s) if any remain. For a single Leg bet or the terminating Leg of an All-for-All bet, the amount due for investment in that Leg, shall be paid as a Dividend.

**5.17.4.2** If a selected Race is, for any reason, run out of the advertised sequence, the selection in such a Race will be treated as in Rule 5.16.4.1.

### **5.17.5 REFUNDS:**

No refunds shall be made in respect of any All-To-Come Ticket, except in instances where a race meeting is cancelled or abandoned before the first Leg of the All-To-Come pool.

**5.19.6.2** No refunds shall be given in respect of scratched horses.

### **5.19.7 CALCULATION OF DIVIDEND:**

**5.19.7.1** The Dividend shall be determined by dividing the Net Pool by the total number of unit on the winning combination /s.

## TAB OPERATIONAL RULES

Final v2.1

**5.19.7.2** In the Event of less than three horses finishing the Race for any reason whatsoever, a Dividend shall be declared on any number of horses finishing (whether one or two), as declared in the Official Result.

### **5.19.8 ABANDONED OR CANCELLED LEGS:**

**5.19.8.1** Subject to Rule 5.18.9, if for any reason whatsoever a BiPot race is abandoned or cancelled, the Dividend shall be determined by dividing the Net Pool by the number of unit bets on the winning combinations in the Legs of the BiPot which were duly decided provided that if there is no unit bet on the winning combinations, read in conjunction with, the provisions of Rule 5.18.11.

**5.19.8.2** All selections in any abandoned or cancelled Legs shall be deemed to be winning selections.

### **5.19.9 REFUNDS:**

No refunds shall be made in respect of any BiPot Ticket, except in instances where a race meeting is cancelled or abandoned, or if only one (1) Race constituting that BiPot pool is completed. No refunds shall be made in respect of any pool carried forward.

### **5.19.10 DEAD HEAT:**

In the Event of a dead heat between two or more horses for any place in the BiPot, all such horses shall be deemed to have filled that place and following places within the ambit of Rule 5.18.4.

### **5.19.11 CARRY FORWARD:**

In the Event of there being no winning Ticket on a BiPot Pool, the Net Pool shall be carried forward and added to a net BiPot Pool selected at the sole discretion of the Operator's Management, provided that such carry forward is made within 12 months of the original pool.

## **5.20 LUCKY 3 POOL**

### **5.20.1 PURPOSE:**

The purpose of the Lucky 3 is for the betting system to select, on behalf of the punter, a Mystery Straight Line entry where three horses may be selected to finish in the first three positions, in exact order, in a race designated as a Lucky 3 Pool race and shall operate where there are three or more runners in the race. The selection will be based on either of:

**5.20.1.1** the carded barrier position (draw) assigned to each horse as displayed in the official racecard and other official horse racing publications; or

**5.20.1.2** the saddle cloth number assigned to each horse as displayed in the official racecard and other official horse racing publications.

**5.20.1.3** the Operator will stipulate which of the saddle cloth or barrier position will apply by of advertisement in the official race card and all racing publications.

**5.20.1.4** the results of this bet will be published on our website, under a separate heading "Lucky 3 Pool". This will also be made available to all other outputs that display our results.

### **5.20.2 UNIT OF BETTING AND MINIMUM BET:**

The cost of the Bet Type will be R2-00 (Two Rand) and fractional betting will not apply. The minimum bet amount will be R2-00 (Two Rand).

## TAB OPERATIONAL RULES

Final v2.1

### **5.20.3 BRACKETING OF HORSES:**

The bracketing of horses shall not apply to this pool.

### **5.20.4 TYPES OF ENTRY:**

There shall only be a Lucky 3 mystery straight line bet available and the selections / numbers may not be selected by the customer.

### **5.20.5 CALCULATION OF DIVIDEND:**

100% of the net pool will be allocated for bets with the correct draw / barrier position / saddle cloth number, as the case may be, of the first 3 horses finishing in exact order. Should there not be a correct combination, then 100% of the net pool shall be carried forward to a selected Lucky 3 Pool at the Operator's discretion.

### **5.20.6 DEAD HEAT:**

Whenever two or more horses dead heat, the Dividend payable shall be calculated in the following manner:

**5.20.6.1** In the Event of a dead heat resulting in more than one winning combination, the Net Pool shall be divided into as many equal portions as there are winning combinations and each such portion shall then be divided by the number of unit bets on each of the combinations.

**5.20.6.2** In the Event of a dead heat for the First place between two horses they shall be deemed to have run First and Second, Second and First. There shall therefore be two winning combinations. **6.4.3.3** In the Event that a match started earlier than the advertised time, that is, before the close of the pool, and the operator was not in a position to close the pool at the start of such a match, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a Dividend.

#### 6.4.4 CALCULATION OF DIVIDEND:

The Dividend shall be determined by dividing the Net Pool by the total number of unit bets on the winning combination/s.

#### 6.4.5 ABANDONED, CANCELLED AND RESCHEDULED MATCHES:

If a match or matches, as advertised, is not completed by 9am on the day after the last day on which matches in the pool were scheduled, shall be deemed abandoned and all choices shall qualify. The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The Operator reserves the right to either abandon the pool in its entirety, in which case all bets will be refunded, or extend the time for a match to be completed, provided this does not unduly hamper the declaration of results and dividends.

#### 6.4.6 ADVERTISED FIXTURES

If, for any reason, the advertised fixture/s in the official programmes are not in order as per Operator Rule 6.A above, the Operator shall declare, in accordance with the above-mentioned rule that all selections qualify as winning selections.

#### 6.4.7 REFUNDS:

If all the matches, as designated in the official fixtures card, are abandoned, all bets shall be refunded.

#### 6.4.8 CARRY FORWARD:

Should there be no winning Tickets on a soccer 4 pool, the Net Pool shall be carried forward and added to a net soccer pool, selected at the sole discretion of Operator

### 6.11 SOCCER 13 POOLS

#### NOTE:

“Soccer 13” is hosted by Svenska Spel in Sweden and host rules apply. Part of the rules state that the amount staked by a customer is limited to 60,000 sek (Sixty Thousand Swedish Krona). The value in Rand-based terms will be dependent on the prevailing South African Rand to Swedish Krona exchange rate. Svenska Spel reserves the right to withhold payment to any customer who breaches this limit.

#### 6.11.1 SATURDAY SOCCER 13 POOL

**6.11.1.1 PURPOSE:** The purpose of the soccer 13 is to select the result of thirteen soccer matches as designated in the official soccer 13 fixtures card for each event. There are three possible results for each match viz., 1 – Team A to win, 2 - a draw and 3 – Team B to win.

**6.11.1.2 UNIT OF BETTING AND MINIMUM BET:** R1-60. No Fractional betting shall be permitted. Unit of betting is subject to exchange rate fluctuations and may vary from time to time at the operator’s discretion. Any differences between the unit of betting and the prevailing exchange rate will be allocated to an exchange reserve account.

#### 6.11.1.3 RESULTS:

**6.11.1.3.1** The result of a match shall be the score at the end of the normal 90-minute playing period plus any injury time that may be played. The result shall not include extra time nor penalty shootouts.

**6.11.1.3.2** The Operator will declare a dividend based on official results of matches as provided by official sources of all matches, e.g. PSL, Press Association and other designated official sources. The operator will not be liable for any errors or misprints as provided by the official sources.

**6.11.1.3.3** A special draw to determine the result of a match will take place if: a match commences before the start of the pool; a match is not concluded by the end of the pool; interrupted match. The result will be drawn from a pool of 16 lots and is a process done by a computer program that makes the draw under supervision of the Swedish Gaming Board. The result will be drawn from a pool consisting of: 10 lots determined by 10 individual expert predictions, 2 lots for Home Win, 2 lots for Draw, and 2 lots for Away Win.

**6.11.1.4 CALCULATION OF DIVIDEND:** In the event there is one winning ticket (13 out of 13 correct) the payout will be from a Guaranteed Fund of R10, 000, 000 (Ten Million Rand) subject to change due to exchange rate fluctuation. Other than in that instance, the Net pool is split into winning groups as follows: 13 out of 13 correct – 40% of Net pool, any 12 out of 13 correct – 15% of Net pool, any 11 out of 13 correct – 12% of Net pool, any 10 out of 13 correct – 25% of Net pool, in addition, 8% of the pool is set aside for the Guaranteed Fund previously mentioned.

**6.11.1.4.1** If a winning line is not found in any group other than the first winnings group, that winnings group will be discarded and its winnings total divided equally between the remaining winnings groups in the pool.

**6.11.1.4.2** The winnings per line in lower winnings groups must not exceed the winnings per line in higher winnings groups. Surplus sums will be divided equally between the lines in the relevant winnings’ groups.

## TAB OPERATIONAL RULES

Final v2.1

- 6.11.1.4.3** All dividends shall be based on the Host Tote's currency exchange rate as quoted by the Operator's principal banker on the day that the dividend is declared.

**NOTE: “Soccer 13 Xtra” is hosted by the Isle of Mann and host rules apply**

**6.12.2 PURPOSE:** The purpose of the soccer 13 Xtra is to select the result of thirteen soccer matches as designated in the official soccer 13 Xtra fixtures card for each event. There are three possible results for each match viz., 1 – Team A to win, 2 - a draw and 3 – Team B to win.

**6.12.3 UNIT OF BETTING AND MINIMUM BET:** The unit of bet for the Soccer 13 Xtra will be: R2.00. The minimum bet will be agreed on a country-by-country basis.

### 6.12.4 RESULTS:

**6.12.4.1** The result of a match shall be the score at the end of the normal 90-minute playing period plus any referee’s optional time that may be played. The result shall not include extra time nor penalty shootouts.

**6.12.4.2** The Operator will declare a dividend based on official results of matches as provided by official sources of all matches, e.g. PSL, Press Association and other designated official sources. The Operator will not be liable for any errors or misprints as provided by the official sources.

**6.12.4.3** In the event that a match started earlier than the advertised time, that is, before the close of the pool, and the Operator was not in a position to close the pool at the start of such a match, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.

### 6.12.5 CALCULATION OF DIVIDEND:

**6.12.5.1** If there is only one winning ticket (13 out of 13 correct) the payout will be from a Guaranteed Fund. The guaranteed payout will only apply to Saturday pools and will be limited to double the payout, to a maximum of R1,000,000 (One Million Rand), should the net pool be less than R1,000,000 (One Million Rand).

**Terms and Conditions:** If the payout is R 500, 000 (Five Hundred Thousand Rand) or more, but less than R1, 000,000 (One Million Rand), the payout will be increased to R1, 000,000 (One Million Rand). The payout will be doubled if less than R500, 000 (Five Hundred Thousand Rand). The following examples illustrate the aforementioned:

**6.12.5.1.1** If the payout is R 700,000 (Seven Hundred Thousand Rand), then R 300,000 (Three Hundred Thousand Rand) will be added;

**6.12.5.1.2** If the payout is R 200,000 (Two Hundred Thousand Rand), then it will be doubled to R 400,000 (Four Hundred Thousand Rand).

**6.12.5.2** Other than in the instance described at 6.13.4.1 above, the Net pool will be divided into winning groups as follows:

**6.12.5.2.1** any 13 out of 13 correct – 40% of Net pool,

**6.12.5.2.2** any 12 out of 13 correct – 15% of Net pool,

**6.12.5.2.3** any 11 out of 13 correct – 12% of Net pool,

**6.12.5.2.4** any 10 out of 13 correct – 25% of Net pool,

**6.12.5.2.5** in addition, 8% of the pool is set aside for the Guaranteed Fund mentioned above.

## TAB OPERATIONAL RULES

Final v2.1

**6.12.5.3** If no correct forecasts are made for any of the aforementioned winning groups; that portion of the pool will be carried forward to the 40% portion of a selected Soccer 13 Xtra pool, at the discretion of the Operator.

**6.12.6 ABANDONED, CANCELLED AND RESCHEDULED MATCHES:** If a match or matches, as advertised, is not completed by 9am on the day after the last day on which matches in the pool were scheduled, shall be deemed abandoned and all choices shall qualify. The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The operator reserves the right to extend the time for a match to be completed provided this does not unduly hamper the declaration of results and dividends.

**6.12.7 REFUNDS:** If all the matches, as designated in the official fixtures card, are abandoned, all bets shall be refunded.

**6.12.8 CARRY FORWARD:** Should there be no winning tickets on a soccer 13 Xtra pool, the net pool shall be carried forward and added to a net soccer pool, selected at the sole discretion of Operator Management, provided that such carry forward is made within twelve months of the original pool or, in the case where it is the last event of a particular season, it shall be carried forward and added to a net soccer pool within twelve months of the commencement of the new season.

### 6.13 SOCCER ANY 15 POOL

#### 6.13.1 PURPOSE:

The purpose of the Soccer Any 15 is to select the results of 15 soccer matches chosen from a list of 30 matches (M1 to M30) in the official Soccer Any fixtures card for each event. There are three possible results for each match viz., 1 - Team A to win; 2 – Draw; 3 – Team B to win.

**6.13.2 UNIT OF BETTING AND MINIMUM BET:** R1 with no fractional betting. Single or permutation entries.

#### 6.13.3 RESULTS:

**6.13.3.1** The result of a match shall be the score at the end of the normal 90-minute playing period (40-minutes in the case of Futsal) plus any referee's optional time that may be played. It shall not include extra time nor penalty shootouts.

**6.13.3.2** The Operator will declare a dividend based on official results of matches as provided by official sources of all matches, e.g. PSL, Press Association and other designated official sources.

**6.13.3.3** In the event that a match started earlier than the advertised time, that is, before the close of the pool, and the operator was not in a position to close the pool at the start of such a match, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.

#### 6.13.4 CALCULATION OF DIVIDEND:

Division of pools (labelled A and B) as follows:

A: Any 15 correct = 70%

B: Any 14 correct = 30%

#### 6.13.5 CARRY FORWARD:

##### 6.13.5.1 NORMAL POOL:

**6.13.5.1.1** If no any 15 correct winner/s, Pool A will be carried forward to

## TAB OPERATIONAL RULES

Final v2.1

the Pool A section of the next Soccer Any 15 Pool nominated by the Operator within 12 months of the original pool.

- 6.13.5.1.2** If no any 14 correct winner/s, Pool B will be paid to any 13 correct winner/s, and if necessary, to any 12 correct winner/s, any 11 correct winner/s, any 10 correct winner/s, etc. as the case may be. If no winners, then Pool B will be carried forward to Pool A section of a Soccer Any 15 pool nominated by the Operator.

Note: Single entry Pool A winner does not get Pool B consolation payouts.

### **6.13.5.2 MUST-BE-WON POOL:**

Must-be-won pools will be declared at the Operator's discretion or when total carryovers to Pool A is R 5, 000, 000 (Five Million Rand) or more. In such pools 100% of the pool will be paid out. The highest winning combination (any 15) will qualify for the dividend. If no any-15 correct winner/s, Pool A will be added to Pool B and the total will be paid to the highest possible winning combination i.e. any-14 correct winner/s. If no any-14 correct winner/s then the pool will be paid to any-13 correct winner/s, and if necessary, to any-12 correct winner/s, any-11 correct winner/s, any-10 correct winner/s, etc. as the case may be.

**ABANDONED, CANCELLED AND RESCHEDULED MATCHES:** If a match or matches, as advertised, is not completed by 9am on the day after the last day on which matches in the pool were scheduled, shall be deemed abandoned and all choices shall qualify. The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The Operator reserves the right to either abandon the pool in its entirety, in which case all bets will be refunded, or extend the time for a match to be completed, provided this does not unduly hamper the declaration of results and dividends.

### **6.13.6 ADVERTISED FIXTURES**

If, for any reason, the advertised fixture/s in the official programmes are not in order as per Operator Rule 6A above, the Operator shall declare, in accordance with the above-mentioned rule that all selections qualify as winning selections.

### **6.13.7 REFUNDS:**

If 16 (sixteen) or more of the 30 (thirty) matches as designated in the official fixtures card, are deemed abandoned, per rule 6.12.6, all bets shall be refunded.

## **6.14 TIME BOMB POOL**

### **6.14.1 PURPOSE:**

The object of the bet is to forecast the time frame (as per defined time frames below) when the first goal, which shall include an own goal, in each of five designated soccer matches (Match 1 or M1 to Match 5 or M5) is scored.

- 6.14.2** Time Bomb pools are hosted on the Isle of Man and host rules apply as set out below.

### **6.14.3 BET DETAILS**

There are 30 options or time frames to choose from in each of the five soccer matches. Each option or time frame is allocated a number (see table below). Use the

- 6.14.3.27** 27 = Minutes 82, 83, 84 & 85
- 6.14.3.28** 28 = Minutes 86, 87, 88 & 89
- 6.14.3.29** 29 = Minute 90 & any added minutes to full-time (goal scored from 90<sup>th</sup> minute until end of normal 90-minute playing period, which shall include added time but not extra time and penalty shootouts)
- 6.14.3.30** 30 = NO GOALS SCORED IN MATCH

### NOTE:

## TAB OPERATIONAL RULES

Final v2.1

For result purposes the time or time frame the first goal is scored in a match will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be absolutely final and binding.

### 6.14.4 UNIT OF BETTING & MINIMUM BET

R1 unit with no fractional betting and R1 minimum bet

### 6.14.5 SINGLE & PERMUTATION BETS

Single or multiple bets may be played. A single bet is one selection in each match and costs R1. With a multiple or permutation entry, any number of selections can be made in each match and the cost is R1 per combination. Calculate the cost of a multiple entry by multiplying out the number of selections in each match.

### 6.14.6 QUICK PICK

A Quick Pick is a single entry bet and the selection in each match will be randomly chosen by the betting system.

### 6.14.7 DIVISION OF POOL (labelled A, B, C and D) as follows:

6.14.7.1 A: All 5 correct = 40%

6.14.7.2 B: Any 4 correct = 30%

6.14.7.3 C: Any 3 correct = 25%

6.14.7.4 D: Reserve fund = 5%

### NOTES:

#### 6.14.8 NORMAL POOL

6.14.8.1 1 – If no all 5 correct winner/s, Pool A is carried forward to Pool A of next Time Bomb pool or a Time Bomb pool nominated by the operator.

6.14.8.2 2 – If no any 4 correct winner/s, Pool B is added to Pool C\* and total of both pools goes to any 3 correct winner/s.

6.14.8.3 3 – If no any 4 correct nor any 3 correct, then total of Pools B and C paid to any 2 correct winner/s. If there are no any 2 correct winners, then the totals of Pools B and C will be divided among all any 1 correct winner/s.

6.14.8.4 \* Consequently at least 55% of every Time Bomb pool should be paid out. In the event that no entry has even one match correct, then 95% of the pool will be carried forward to the next Pool A of Time Bomb.

#### 6.14.9 MUST-BE WON POOL

Must-be-won pools will be declared at the Operator's discretion or when total of carryovers to Pool A is R10 million or more.

In such pools 95% will be paid out – if no all 5 correct winner/s, Pool A added to Pool B and total paid to any 4 correct; if no all 5 correct nor any 4 correct winner/s, then total of Pools A, B and C paid to any 3 correct, or any 2 or 1 if necessary.

#### 6.14.10 RESERVE FUND

5% of any Time Bomb pool goes to Reserve Fund, which will be added to Pool A of selected Time Bomb pools from time to time at the discretion of the operator.

#### 6.14.11 MATCHES NOT PLAYED/COMPLETED

Any match in a Time Bomb pool not completed by 9am on the day after the last day on which matches in the pool were scheduled, shall be deemed abandoned and all choices shall qualify. In such an event the A portion of the pool shall automatically be carried over and all entries shall qualify only for payouts emanating from the B and C

Final v2.1

portions of the pool. The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The Operator reserves the right to either abandon the pool in its entirety, in which case all bets will be refunded, or extend the time for a match to be completed, provided this does not unduly hamper the declaration of results and dividends.

### 7. CHAPTER 7 – MEGASTAR POOLS

#### 7.1 MEGASTRIKE10 POOL

**7.1.1 PURPOSE:** The object of the MegaStrike10 is to forecast for each of ten soccer players the number of goals each will score in their nominated soccer match as designated in the official MegaStrike10 fixtures card for each event. There are three possible results for each player in their match viz.,

- 7.1.1.1** 1 – Player Scores No Goals,
- 7.1.1.2** 2 – Player Scores 1 Goal
- 7.1.1.3** 3 – Player Scores 2 Goals or more.

**7.1.2 UNIT OF BETTING AND MINIMUM BET:** R2 unit with no fractional betting and R2 minimum bet

#### 7.1.3 RESULTS:

**7.1.3.1** The result of each leg will be the number of goals scored by the player at the end of the normal 90-minute playing period plus any referee's optional time that may be played. It shall not include any goals the player scores in extra time nor penalty Shootouts. Only goals scored for the players team (including penalties) will be counted. Own goals will not be added or subtracted to the count of goals scored by the player.

**7.1.3.2** The Operator will declare a dividend based on official match results as provided by official sources of matches.

**7.1.3.3** If a match started earlier than the advertised time, that is, before the close of the pool, and the operator was not able to close the pool at the start of such a match, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.

**7.1.3.4** A player will be deemed to have participated in a match if, according to official match results, they start the match on the field **OR** are substituted onto the field anytime during the normal 90-minute playing period plus any referee's optional time that may be played.

**7.1.3.5** If a player participates in a match as defined in 7.1.3.4 and then leaves the field for any reason (including, but not limited to injury, substitution, red card or end of game), they are still deemed to have participated in the match, irrespective of how little time they played in the match.

**7.1.3.6** If a player has not participated in the match as defined in 7.1.3.4, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.

**7.1.4 CALCULATION OF DIVIDEND:** 100% of the pool shall be allocated for tickets with all 10 player score forecasts correct. If there are no winning tickets then the pool is not won and it shall be carried forward to a future MegaStrike10 pool at the discretion of the Host Operator.

**7.1.5 ABANDONED, CANCELLED AND RESCHEDULED MATCHES:** If a match or matches, as advertised, is not completed by 9am on the day after the last day on which

## TAB OPERATIONAL RULES

Final v2.1

matches in the pool were scheduled, it shall be deemed abandoned and all choices shall qualify. The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The operator reserves the right to extend the time for a match to be completed provided this does not unduly hamper the declaration of results and dividends.

### 7.1.6 ADVERTISED FIXTURES:

**7.1.6.1** For every soccer match designated in the official MegaStrike10 fixtures card, Team A will be the team playing at 'Home' and Team B will be the team playing 'Away'.

**7.1.6.2** To ensure customers are not disadvantaged in their assessment of the scoring prospects of a player based on the match fixture, all selections will qualify as winning selections for any player where their nominated match fixture is deemed invalid as per 7.1.6.3.

**7.1.6.3** A match fixture will be deemed to be invalid if Operator Management determine, at their sole discretion, the nominated match is played at a venue which is both an 'Away' venue for Team A and a 'Home' venue for Team B. A neutral venue is not invalid.

**7.1.7 REFUNDS:** If all the matches, as designated in the official fixtures card, are abandoned, all bets shall be refunded.

**7.1.8 CARRY FORWARD:** Should there be no winning tickets on a MegaStrike10 pool, the net pool shall be carried forward and added to a net MegaStrike10 pool, selected at the sole discretion of Operator Management, provided that such carry forward is made within one month of the original pool or, in the case where it is the last event of a particular season, it shall be carried forward and added to a net MegaStrike10 pool within one month of the commencement of the new season.

## 7.2 MEGASHOOT10 POOL

**7.2.1 PURPOSE:** The object of the MegaShoot10 is to forecast for each of ten basketball players the number of three-point shots each will score in their nominated basketball match as designated in the official MegaShoot10 fixtures card for each event. There are three possible results for each player in their match viz.,

**7.2.1.1** 1 – Player Scores less than 2 Three-Point Shots

**7.2.1.2** 2 – Player Scores 2 Three-Point Shots exactly

**7.2.1.3** 3 – Player Scores more than 2 Three-Point shots

**7.2.2 UNIT OF BETTING AND MINIMUM BET:** R2 unit with no fractional betting and R2 minimum bet

### 7.2.3 RESULTS:

**7.2.3.1** The result of each leg will be determined by the number of three-point shots scored by the player at the end of the game, including any overtime that may be played.

**7.2.3.2** The Operator will declare a dividend based on official match results as provided by official sources of matches.

**7.2.3.3** If a match started earlier than the advertised time, that is, before the close of the pool, and the operator was not able to close the pool at the start of such a match, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.

## TAB OPERATIONAL RULES

Final v2.1

- 7.2.3.4** A player will be deemed to have participated in a match if they have played at least 1 minute of game time as specified by official match results.
- 7.2.3.5** If a player participates in a match as defined in 7.2.3.4 and then leaves the court for any reason (including, but not limited to injury, substitution, fouled out or end of game), they are still deemed to have participated in the match, irrespective of how little time they have played in the match.
- 7.2.3.6** If a player has not participated in the match as defined in 7.2.3.4, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.
- 7.2.4** **CALCULATION OF DIVIDEND:** 100% of the pool shall be allocated for tickets with all 10 player score forecasts correct. If there are no winning tickets then the pool is not won and it shall be carried forward to a future MegaShoot10 pool at the discretion of the Host Operator.
- 7.2.5** **ABANDONED, CANCELLED AND RESCHEDULED MATCHES:** If a match or matches, as advertised, is not completed by 9am on the day after the last day on which matches in the pool were scheduled, shall be deemed abandoned and all choices shall qualify. The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The operator reserves the right to extend the time for a match to be completed provided this does not unduly hamper the declaration of results and dividends.
- 7.2.6** **ADVERTISED FIXTURES**
- 7.2.6.1** For every basketball match designated in the official MegaShoot10 fixtures card, Team A will be the team playing at 'Home' and Team B will be the team playing 'Away'.
- 7.2.6.2** To ensure customers are not disadvantaged in their assessment of the scoring prospects of a player based on the match fixture, all selections will qualify as winning selections for any player where their nominated match fixture is deemed invalid as per 7.2.6.3.
- 7.2.6.3** A match fixture will be deemed to be invalid if Operator Management determine, at their sole discretion, the nominated match is played at a venue which is both an 'Away' venue for Team A and a 'Home' venue for Team B. A neutral venue is not invalid.
- 7.2.7** **REFUNDS:** If all the matches, as designated in the official fixtures card, are abandoned, all bets shall be refunded.
- 7.2.8** **CARRY FORWARD:** Should there be no winning tickets on a MegaShoot10 pool, the net pool shall be carried forward and added to a net MegaShoot10 pool, selected at the sole discretion of Operator Management, provided that such carry forward is made within one month of the original pool or, in the case where it is the last event of a particular season, it shall be carried forward and added to a net MegaShoot10 pool within one month of the commencement of the new season.

### 7.3 MEGASWING10 POOL

- 7.3.1** **PURPOSE:** The object of the MegaSwing10 is to forecast for each of ten golfers the number of holes each player will score under par in a nominated round of a golf tournament as designated in the official MegaSwing10 fixtures card for each event. There are three possible results for each player in their round viz.,
- 7.3.1.1** 1 – Player Scores a birdie or better on less than 4 holes
- 7.3.1.2** 2 – Player Scores a birdie or better on 4 holes exactly
- 7.3.1.3** 3 – Player Scores a birdie or better on more than 4 holes

## TAB OPERATIONAL RULES

Final v2.1

- 7.3.2 UNIT OF BETTING AND MINIMUM BET:** R2 unit with no fractional betting and R2 minimum bet
- 7.3.3 RESULTS:**
- 7.3.3.1** The result of each leg will be the number of holes during the round where the player scores less than par on that hole. Only the 18 holes played in regulation in the round are considered for the purposes of this bet. Any holes played in a playoff will not contribute to the players count of birdies or better.
  - 7.3.3.2** The Operator will declare a dividend based on official results as provided by official sources of player scoring results.
  - 7.3.3.3** In the event that a player started a round earlier than the advertised time, that is, before the close of the pool, and the operator was not in a position to close the pool at the start of such a round, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.
  - 7.3.3.4** A player will be deemed to have completed a round if they have played and returned a result for all 18 holes of the round played in regulation according to official scoring results.
  - 7.3.3.5** If a player has not completed a round as defined in 7.3.3.4, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.
- 7.3.4 CALCULATION OF DIVIDEND:** 100% of the pool shall be allocated for tickets with all 10 player score forecasts correct. If there are no winning tickets then the pool is not won and it shall be carried forward to a future MegaSwing10 pool at the discretion of the Host Operator.
- 7.3.5 ABANDONED, CANCELLED AND RESCHEDULED ROUNDS:** If a round for a player is not completed by 9am on the day after the last day on which rounds in the pool were scheduled, the round shall be deemed abandoned and all choices shall qualify. The times at which rounds are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a round has not been completed shall be final and binding. The operator reserves the right to extend the time for a round to be completed provided this does not unduly hamper the declaration of results and dividends.
- 7.3.6 REFUNDS:** If all the rounds as designated in the official fixtures card, are abandoned, all bets shall be refunded.
- 7.3.7 CARRY FORWARD:** Should there be no winning tickets on a MegaSwing10 pool, the net pool shall be carried forward and added to a net MegaSwing10 pool, selected at the sole discretion of Operator Management, provided that such carry forward is made within one month of the original pool or, in the case where it is the last event of a particular season, it shall be carried forward and added to a net MegaSwing10 pool within one month of the commencement of the new season.

## 7.4 MEGAPASS10 POOL

- 7.4.1 PURPOSE:** The object of the MegaPass10 is to forecast for each of ten NFL quarterbacks the number of Passing Touchdowns each will complete in their nominated NFL match as designated in the official MegaPass10 fixtures card for each event. There are three possible results for each player in their match viz.,
- 7.4.1.1** 1 – Player Completes less than 2 Passing Touchdowns
  - 7.4.1.2** 2 – Player Completes 2 Passing Touchdowns exactly
  - 7.4.1.3** 3 – Player Completes more than 2 Passing Touchdowns

## TAB OPERATIONAL RULES

Final v2.1

- 7.4.2 UNIT OF BETTING AND MINIMUM BET:** R2 unit with no fractional betting and R2 minimum bet
- 7.4.3 RESULTS:**
- 7.4.3.1** The result of each a match shall be the number of Passing Touchdowns scored by the nominated player at the end of the playing period including any overtime that may be played.
  - 7.4.3.2** The Operator will declare a dividend based on official match results as provided by official sources of matches.
  - 7.4.3.3** In the event that a match started earlier than the advertised time, that is, before the close of the pool, and the operator was not in a position to close the pool at the start of such a match, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.
  - 7.4.3.4** A player will be deemed to have participated in a match if official match results specify the player played in the game.
  - 7.4.3.5** If a player participates in a match as defined in 7.4.3.4 and then leaves the field for any reason (including, but not limited to injury, substitution or end of game), they are still deemed to have participated in the match, irrespective of how little time they have played in the match.
  - 7.4.3.6** In the event that a player has not participated in the match as defined in 7.4.3.4, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.
- 7.4.4 CALCULATION OF DIVIDEND:** 100% of the pool shall be allocated for tickets with all 10 player score forecasts correct. If there are no winning tickets then the pool is not won and it shall be carried forward to a future MegaPass10 pool at the discretion of the Host Operator.
- 7.4.5 ABANDONED, CANCELLED AND RESCHEDULED MATCHES:** If a match or matches, as advertised, is not completed by 9am on the day after the last day on which matches in the pool were scheduled, shall be deemed abandoned and all choices shall qualify. The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The operator reserves the right to extend the time for a match to be completed provided this does not unduly hamper the declaration of results and dividends.
- 7.4.6 ADVERTISED FIXTURES:**
- 7.4.6.1** For every NFL match designated in the official MegaShoot10 fixtures card, Team A will be the team playing at 'Home' and Team B will be the team playing 'Away'.
  - 7.4.6.2** To ensure customers are not disadvantaged in their assessment of the scoring prospects of a player based on the match fixture, all selections will qualify as winning selections for any player where their nominated match fixture is deemed invalid as per 7.4.6.3.
  - 7.4.6.3** A match fixture will be deemed to be invalid if Operator Management determine, at their sole discretion, the nominated match is played at a venue which is both an 'Away' venue for Team A and a 'Home' venue for Team B. A neutral venue is not invalid.
- 7.4.7 REFUNDS:** If all the matches, as designated in the official fixtures card, are abandoned, all bets shall be refunded.
- 7.4.8 CARRY FORWARD:** Should there be no winning tickets on a MegaPass10 pool, the net pool shall be carried forward and added to a net MegaPass10 pool, selected at the

**7.6.3.2** The Operator will declare a dividend based on official match results as provided by official sources of matches.

**7.6.3.3** In the event that a match started earlier than the advertised time, that is, before the close of the pool, and the operator was not in a position to close the pool at the start of such a match, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.

**7.6.3.4** A player will be deemed to have participated in a match if, according to official match results, they start the match on the field OR are substituted onto the field anytime during the regulation 4 quarters playing period.

## TAB OPERATIONAL RULES

Final v2.1

- 7.6.3.5** If a player participates in a match as defined in 7.6.3.4 and then leaves the field for any reason (including, but not limited to injury, blood rule, substitution, or end of game), they are still deemed to have participated in the match, irrespective of how little time they played in the match.
- 7.6.3.6** In the event that a player has not participated in the match as defined in 7.6 all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a dividend.
- 7.6.4** **CALCULATION OF DIVIDEND:** 100% of the pool shall be allocated for tickets with all 10 player score forecasts correct. If there are no winning tickets then the pool is not won and it shall be carried forward to a future MegaKick10 pool at the discretion of the Host Operator.
- 7.6.5** **ABANDONED, CANCELLED AND RESCHEDULED MATCHES:** If a match or matches, as advertised, is not completed by 9am on the day after the last day on which matches in the pool were scheduled, shall be deemed abandoned and all choices shall qualify. The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The operator reserves the right to extend the time for a match to be completed provided this does not unduly hamper the declaration of results and dividends.
- 7.6.6** **ADVERTISED FIXTURES:**
- 7.6.6.1** For every AFL match designated in the official MegaKick10 fixtures card, Team A will be the team playing at 'Home' and Team B will be the team playing 'Away'.
- 7.6.6.2** To ensure customers are not disadvantaged in their assessment of the scoring prospects of a player based on the match fixture, all selections will qualify as winning selections for any player where their nominated match fixture is deemed invalid as per 7.6.6.3.
- 7.6.6.3** A match fixture will be deemed to be invalid if Operator Management determine, at their sole discretion, the nominated match is played at a venue which is both an 'Away' venue for Team A and a 'Home' venue for Team B. A neutral venue is not invalid.
- 7.6.7** **REFUNDS:** If all the matches, as designated in the official fixtures card, are abandoned, all bets shall be refunded.
- 7.6.8** **CARRY FORWARD:** Should there be no winning tickets on a MegaKick10 pool, the net pool shall be carried forward and added to a net MegaKick10 pool, selected at the sole discretion of Operator Management, provided that such carry forward is made within one month of the original pool or, in the case where it is the last event of a particular season, it shall be carried forward and added to a net MegaKick10 pool within one month of the commencement of the new season.

## 7.7 MEGATRY10 POOL

- 7.7.1** **PURPOSE:** The object of the MegaTry10 is to forecast for each of ten rugby players the number of Tries each will score during their nominated rugby match as designated in the official MegaTry10 fixtures card for each event. Final v2.1

**7.7.7 REFUNDS:** If all the matches, as designated in the official fixtures card, are abandoned, all bets shall be refunded.

**7.7.8 CARRY FORWARD:** Should there be no winning tickets on a MegaTry10 pool, the net pool shall be carried forward and added to a net MegaTry10 pool, selected at the sole discretion of Operator Management, provided that such carry forward is made within one month of the original pool or, in the case where it is the last event of a particular season, it shall be carried forward and added to a net MegaTry10 pool within one month of the commencement of the new season.

### 7.8 TAB LUCKY 7

**7.8.1** TAB LUCKY 7 pools are hosted on the Isle of Man and host rules apply as set out below.

**7.8.2 PURPOSE:** The purpose of the bet is to forecast the time frame (as per defined time frames below) when the first goal, which shall include an own goal, is scored or that no goals will be scored, in each of 7 designated soccer matches (Match 1 or M1 to Match 7 or M7). There are 7 options or time frames to choose from in each of the seven matches and the number allocated to each option or time frame is used to mark the selection/s in each match. Options/time frames and applicable numbers are:

**7.8.2.1** 1 = Minutes 1 to 15 (goal scored in first 15 minutes)

**7.8.2.2** 2 = Minutes 16 to 30 (goal scored in minutes 16 to 30)

**7.8.2.3** 3 = Minutes 31 to half-time

**7.8.2.4** 4 = Minutes 46 to 60

**7.8.2.5** 5 = Minutes 61 to 75

**7.8.2.6** 6 = Minutes 76 to full-time (excludes extra time and penalty shootouts)

**7.8.2.7** 7 = No goals scored in match

**7.8.3** For result purposes the time or time frame the first goal is scored in a match will be as supplied by the operator's official sources, notwithstanding that the operator's decision in terms of the time frame a goal is scored in or if and when a match has not been completed will be absolutely final and binding.

**7.8.4 UNIT OF BETTING AND MINIMUM BET:** R2 with no fractional betting. Single or permutation entries at R2 per combination. A R2 Quick Pick option in which TAB's computerised betting system chooses the numbers is also available.

**7.8.5 RESULTS:**

**7.8.5.1** If a match started earlier than the advertised time, that is, before the close of the pool, and the operator was not able to close the pool at the start of such a match, all possible results/combinations will apply as the final result for that purpose and for purposes of calculating a **Dividend**.

**7.8.6 CALCULATION OF DIVIDEND:**

**The pool will be distributed as follows:**

**7.8.6.1** 70% of the pool will be allocated to selections/bets which predict/have all 7 correct ("Pool A");

**7.8.6.2** 30% of the pool will be allocated to selections which predict any 6 correct ("Pool B")

## TAB OPERATIONAL RULES

Final v2.1

### NOTE:

**7.8.6.3** If no all 7 correct winner/s, Pool A will be carried forward to Pool A of a selected Lucky 7 pool within 12 months of the original pool at the discretion of the Operator.

**7.8.6.4** If no any 6 correct winner/s, Pool B paid to any 5 correct winner/s and if necessary, to any 4, 3, 2 or 1 correct winner/s

### **7.8.7 ABANDONED, CANCELLED AND RESCHEDULED MATCHES:**

**7.8.7.1** Any match in a Lucky 7 pool not completed by 9am on the day after the last day on which matches in the pool were scheduled, shall be deemed abandoned. In such an event the A portion of the pool shall automatically be carried over and all entries shall qualify only for payouts emanating from the B portion of the pool.

**7.8.7.2** The times at which matches are completed will be as supplied by the operator's official source, notwithstanding the operator's decision in terms of when a match has not been completed shall be final and binding. The Operator reserves the right to either abandon the pool in its entirety, in which case all bets will be refunded, or extend the time for a match to be completed, provided this does not unduly hamper the declaration of results and dividends.

### **7.8.8 ADVERTISED FIXTURES**

If, for any reason, the advertised fixture/s in the official programmes are not in order as per Operator Rule 6A above, the Operator shall declare, in accordance with the above-mentioned rule that all selections qualify as winning selections.

**7.8.9 REFUNDS:** If more than 4 (four) matches in a selection of a bet in the official fixtures card of a Lucky 7 Pool are abandoned, then that bet shall be refunded.

## **8. CHAPTER 8 – MOTOR RACING**

### **8.1 RACING CAR OR MOTORBIKE TRIFECTA (WHEELS 3)**

#### **8.1.1 PURPOSE:**

The purpose of the Racing Car or Motorbike Trifecta (Wheels 3) is to select three cars or bikes to finish first, second and third in that order in an official grand prix race as designated in the official race sheet as a Trifecta pool race. The Trifecta shall operate where there are 3 or more starters.

#### **8.1.2 UNIT OF BET AND MINIMUM BET:**

Refer to Chapter 4.

#### **8.1.3 RESULT:**

The result shall be the podium finish.

#### **8.1.4 CALCULATION OF DIVIDEND:**

The Dividend shall be determined by dividing the Net Pool by the total number of unit bets on the winning combinations/s.

#### **8.1.5 DEAD HEAT:**

Notwithstanding the provisions of Rule 7.1.4 whenever two or more cars or bikes dead heat, the Dividend payable shall be calculated in the following manner:

**8.1.5.1** In the Event of a dead heat resulting in more than one winning combination, the Net Pool shall be divided into as many equal portions as there are

## TAB OPERATIONAL RULES

Final v2.1

winning combinations, and each such portion shall then be divided by the number of unit bets on each of the combinations.

- 8.1.5.2** In the Event of a dead heat for the first place between two cars or bikes they shall be deemed to have finished first and second and second and first. There shall therefore be two winning combinations. Should three or more cars or bikes dead heat for first place there shall be as many winning combinations as there are possible combinations.
- 8.1.5.3** In the Event of a dead heat for second place between two cars or bikes they shall be deemed to have finished second and third and third and second. There shall therefore be two winning combinations. Should three or more cars or bikes dead heat for second place there shall be as many winning combinations as there are possible combinations.
- 8.1.5.4** In the Event of two or more cars or bikes dead heating for third place there shall be as many winning combinations as there are dead heaters.
- 8.1.5.5** In the Event of three or more cars or bikes starting a race and less than three cars or bikes finishing a race for any reason whatsoever, a Dividend shall be declared on the first and second placed cars or bikes with the field as the third place. If only one car or bike finishes, a Dividend shall be declared on that car or bike with the field for second place and the field for third place.
- 8.1.5.6** In the Event of a selected car or bike being withdrawn before the official start of the race, the car or bike shall be deemed to be scratched and a refund of the money wagered, relating to the scratched car or bike shall be made.
- 8.1.5.7** The official start of a race shall be that start that leads to the conclusion of the race and shall not include a start that is retaken, for whatever reason.

**8.1.6 CANCELLED OR ABANDONED RACE:**

In the Event of a race being cancelled or abandoned for any reason whatsoever a full refund shall be made.

**8.1.7 CARRY FORWARD:**

Should there be no winning Tickets on any of the winning combinations, the Net Pool shall be carried forward and added to a net Racing Car or Motorbike Trifecta (Wheels 3) pool selected at the sole discretion of the Operator's management provided that such carry forward is made within 12 months of the original pool or, in the case where it is the last Event of a particular season, it shall be carried forward and added to a net Racing Car or Motorbike Trifecta (Wheels 3) pool within 12 months of the commencement of the new season.

**8.2 RACING CAR OR MOTORBIKE QUARTET (WHEELS 4) [FORMULA 1 MOTOR RACING QUARTET]**

**8.2.1 PURPOSE:**

The purpose of the Racing Car or Motorbike Quartet (Wheels 4) [Formula 1 Quartet] is to select four cars or bikes to finish first, second, third and fourth in that order in an official grand prix race as designated in the official race sheet as a quartet pool race. The Quartet shall operate where there are 4 or more starters.

## TAB OPERATIONAL RULES

Final v2.1

### **8.2.2 UNIT OF BET AND MINIMUM BET:**

Refer to Chapter 4.

### **8.2.3 RESULT:**

The result shall be that as declared officially at the end of the grand prix race.

### **8.2.4 CALCULATION OF DIVIDEND:**

The Dividend shall be determined by dividing the Net Pool by the total number of unit bets on the winning combinations/s.

### **8.2.5 DEAD HEAT:**

Notwithstanding the provisions of Rule 7.2.4 whenever two or more cars or bikes dead heat, the Dividend payable shall be calculated in the following manner:

**8.2.5.1** In the Event of a dead heat resulting in more than one winning combination, the Net Pool shall be divided into as many equal portions as there are winning combinations, and each such portion shall then be divided by the number of unit bets on each of the combinations.

**8.2.5.2** In the Event of a dead heat for the first place between two cars or bikes they shall be deemed to have finished first and second and second and first. There shall therefore be two winning combinations. Should three or more cars or bikes dead heat for first place there shall be as many winning combinations as there are possible combinations.

**8.2.5.3** In the Event of a dead heat for second place between two cars or bikes they shall be deemed to have finished second and third and third and second. There shall therefore be two winning combinations. Should three or more cars or bikes dead heat for second place there shall be as many winning combinations as there are possible combinations.

**8.2.5.4** In the Event of a dead heat for third place between two cars or bikes they shall be deemed to have finished third and fourth and fourth and third. There shall therefore be two winning combinations. Should three or more cars or bikes dead heat for third place there shall be as many winning combinations as there are possible combinations.

**8.2.5.5** In the Event of two or more cars or bikes dead heating for fourth place there shall be as many winning combinations as there are dead heaters.

**8.2.5.6** In the Event of four or more cars or bikes starting a race and less than four cars or bikes finishing the race for any reason whatsoever, a Dividend shall be declared on the placed cars or bikes completing the race with the field in the other unfilled position/s.

**8.2.5.7** In the Event of a selected car or bike being withdrawn before the official start of the race the car or bike shall be deemed to be scratched and a refund of the money wagered, relating to the scratched car or bike shall be made.
